PETITION TO REVIVE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

It is hereby requested that the above-identified application be revived because the undersigned never received the Notice to File Missing Requirements letter sent by the USPTO on November 29, 2005. As evidence, attached please find a copy of the applicant's docketed items for the above application along with a copy of the front of the applicant's file, both indicating that a Notice to File Missing Requirements response was never docketed or processed by the applicant. Also enclosed is a copy of applicant's docket for May 29, 2006, the day for which a response to the November 29 Notice would have been docketed. It also shows no entry for this application, GULDE-0054.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,
